

CAMP POLICY

The directors reserve the right, at their discretion, to withdraw any camper whose influence or actions are deemed unsatisfactory to the NY Fashion Accessories Camp (NYFAC) or who will not live within the rules and policies of NYFAC. If it occurs, no reduction or return of fee, or any part thereof will be made. My child is permitted to participate in all NYFAC programs and camp trips supervised by the camp. I understand that NY Fashion Accessories Camp is not responsible for camper's transportation to and from camp. The NYFAC will only be responsible for the well being and safety of campers during the programs operating hours. All forms (Registration, Health, Authorization and Emergency Contact) must be returned to NYFAC prior to the beginning of camp or your child will not be permitted to attend. Tuition (or tuition balance) is due no later than May 15th. After May 15th, a \$100 fee will be added to the tuition (or tuition balance).

I _____ (parent or guardian) give New York Fashion Accessories Camp permission to reproduce and publish any photography, video or likeness of my child for advertising, commercial or any purpose. I have read and agree to the terms outlined above.
